

**Please review the PFE 9-12 guidelines you are committing to uphold.**

- My participation is based on a passion to serve/ interest in mentoring, not only a financial need.
- 100% of my PFE scholarship will be applied to my school tuition.
- I will attend PFE orientation before visiting and submitting reflections for credit.
- I will only have one mentor.
- My mentor will not be a family member, no matter how distantly related.
- My mentor will not be living in a nursing home.
- My mentor will be cognitively healthy (not having dementia or Alzheimer's).
- PFE visits with my mentor will occur at or around my mentor's home or approved site/activity by my coordinator.
- My mentor and I will visit one-on-one, not in a group setting (even with other family members).
- Virtual visits, watching TV, attending church/school events, assisting in a classroom/workplace, or doing activities where my mentor and I don't interact will not be accepted as PFE time.
- I understand I need to complete 14 weeks of visiting/reflection submission each term to be awarded PFE scholarship.
- I understand only 1 visit per week will count toward my scholarship requirements.
- I understand "make-up" visits are NOT allowed.
- I will complete a reflection at the end of each visit. I understand that if I miss the deadline, this visit will not count towards my requirements.
- I will immediately check my email and PFE dashboard for confirmation of reflection submission.
- If I experience any technical issues while submitting a reflection, I will communicate with my PFE

Coordinator immediately. I understand that not communicating immediately may result in missing scholarship.

- I understand that PFE scholarship is awarded only if ALL requirements are met.
- I will participate in PFE fundraising events/activities, unless my school does not require my help.
