

Reflecting Christ Through Service, Growth, and Friendship

Mission

Provide students with opportunities to serve, ease senior isolation, and help with tuition assistance.

How It Works

- Students are matched with an older adult in the community (no relatives)
- Pair meets weekly, spending time in shared activities and conversation
- Students submit an online reflection after each visit
- Students receive tuition assistance and the blessing of an intergenerational friendship
 - K-8 program: \$30 scholarship per visit
 - 9-12 program: \$800 scholarship per term
